

Dear Paul,

On behalf of OJEN and the TLA, we would like to thank you for the valuable contribution of your time and efforts as a volunteer in the Elementary School Civil Mock Trial at Palmerston Public School!

The students in Kevin Finlayson's afternoon class said:

- ✂ Paul is a really good actor by what I've seen. He's very patient. Paul is fun but strict (which is good). He'd probably make a very great teacher.
- ✂ I worked mostly with Paul and he was really, really great at helping me become a witness. He asked tough questions (which was good) and helped me with answers and my posture (very important it turns out).
- ✂ Paul was an amazing actor. When we were in court he always stayed in role.
- ✂ Paul was a great judge and made sure that both sides agreed.
- ✂ I am interested in learning about being a lawyer because I kind of want to be one when I'm older.
- ✂ I liked how nice, and helpful and supportive the lawyers were, and they helped you understand the law better.

**Thank you!**
